

of Cyprus with a single sovereignty and international personality and a single citizenship, with its independence and territorial integrity safeguarded, and comprising two politically equal communities as described in the relevant Security Council resolutions, in a bicomunal and bizonal federation; and

Whereas, the resumption of direct talks in January 2002, in the context of the Good Offices of the Secretary General, to find a just and viable solution to the Cyprus problem is an encouraging development that should be sustained and intensified in order to arrive, by the target date of June 2002, to an agreement; and

Whereas, the members of the Security Council, reiterated, on April 4, 2002, their full support for the negotiating process and for the Secretary General's mission entrusted to him by the Security Council in Security Council Resolution 1250, which was adopted on June 29, 1999, and urged the leaders to work for reaching a comprehensive settlement that takes full consideration of the relevant United Nations Resolutions and Treaties; and

Whereas, a peaceful, just, and lasting solution to the Cyprus problem would greatly benefit the security and the political, economic, and social well-being of all Cypriots, as well as contribute to improved relations between Greece and Turkey, and will serve the interests of the United States in the region; and

Whereas, security, reconciliation, and prosperity for all Cypriots can be best achieved within the context of membership in the European Union which will provide significant rights and obligations for all Cypriots; and

Whereas, the prospect of Cyprus' accession to the European Union has acted as a catalyst for the resumption of the talks aimed at reaching a resolution of the Cyprus problem; now, therefore, be it

Resolved, by the Assembly and Senate of the State of California, jointly, That the Legislature calls upon the President of the United States to increase the administration's efforts to encourage initiatives that will help promote and achieve reunification, reconciliation, stability, and prosperity in Cyprus within the context of the ongoing efforts under the United Nations Secretary General's auspices and on the basis of the relevant United Nations Security Council Resolutions; and be it further

Resolved, That the Assembly and Senate of the State of California, jointly, request the United States government to continue to strongly support the accession of Cyprus to the European Union, without a settlement of the Cyprus problem being a precondition for accession; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the United States House of Representatives, and to each Senator and Representative in the Congress of the United States.

POM-393. A joint resolution adopted by the Legislature of the State of California relative to the extradition of criminals; to the Committee on Foreign Relations.

ASSEMBLY JOINT RESOLUTION NO. 63

Whereas, the Mexican Supreme Court ruled in October 2001 that Mexico will not extradite criminals who face life sentences in the United States; and

Whereas, the United States Constitution prohibits states from entering into treaties with foreign governments to protect their citizens and arrange extradition for criminals; and

Whereas, the person or persons responsible for the April 29, 2002, murder of Los Angeles County Sheriff Deputy David March is believed to have fled to Mexico to avoid prosecution; and

Whereas, California and other states must rely upon the federal government to resolve this issue of national importance; and

Whereas, the Attorney General from each of the 50 states has asked United States Attorney General John Ashcroft and United States Secretary of State Colin Powell to address this extradition issue with their counterparts in Mexico; now, therefore, be it

Resolved, by the Assembly and Senate of the State of California, jointly, That the extradition from Mexico of all criminals who face life sentences is a matter of urgent and enduring importance to the State of California; and be it further

Resolved, That California's Senators and Members of the House of Representatives should take all prudent and necessary steps to ensure that this matter is addressed at the highest levels of our federal government; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President of the United States, the United States Attorney General, the United States Secretary of State, and to each member of the Congress of the United States.

POM-394. A resolution adopted by the House of Representatives of the General Assembly of the State of Pennsylvania relative to the Snowe Amendment to the PRIDE Act; to the Committee on Finance.

HOUSE RESOLUTION NO. 560

Whereas, the House of Representatives of the United States Congress has passed H.R. 4, which would set requirements for state welfare programs and establish funding levels for the Temporary Assistance to Needy Families (TANF) and child-care block grants for the five-year reauthorization period; and

Whereas, the Child Care Development Block Grant (CCDBG) currently provides \$4.8 billion annually to states for child-care services, \$2.7 billion in mandatory funding annually for the period of reauthorization and \$2.1 billion in discretionary funding, subject to annual renewal by the Congress; and

Whereas, although H.R. 4 would increase mandatory child-care funding by \$1 billion over five years, this is an amount widely regarded as insufficient to meet the increased demand for child-care for families leaving welfare or the demand for child-care subsidy for income-eligible families; and

Whereas, Senator Olympia Snowe of Maine is prepared to offer an amendment to H.R. 4 that would increase mandatory spending to \$7 billion for the five-year reauthorization period; and

Whereas, since Federal funds make up 74% of Pennsylvania's child-care spending, an increase in mandatory funds through the CCDBG would provide the Commonwealth a stable source of funds to expand subsidy for families, build program quality and school readiness and improve services to parents; therefore be it

Resolved, That the House of Representatives of the Commonwealth of Pennsylvania memorialize the Senate of the United States Congress to adopt the Snowe Amendment to H.R. 4, the Personal Responsibility and Individual Development for Everyone (PRIDE) Act; and be it further

Resolved, That copies of this resolution be transmitted to the presiding officers of the Senate of the United States Congress and to the two Senators from Pennsylvania.
